

The Chandler Leads in Price and Style and Certainty of Service

NEVER before has the Chandler leadership been so obvious to so many people as it is now, at the height of the 1916 season. At a time when so many cars are "marked up" a hundred dollars or more, the Chandler leads with the same low price established eighteen months ago.

In the midst of a horde of new types and styles of engines, "The Marvelous Motor" leads in certainty of service. Built in the Chandler factory ever since the first Chandler car was marketed this famous motor, refined, more powerful, more flexible, still leads most distinctly because free from any hint of experimentation or uncertain theory.

And Chandler leads quite as clearly in beauty of body design, refinement of finish in every detail and luxury of upholstery.

It is not surprising that many thousands of new owners have joined the Chandler ranks this year.

You will be delighted with your Chandler

Should Sloan's Liment Go Along.
Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liment." Write one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.

RESOLUTION.
Be it resolved that after August 1st, 1916, the minimum flat rate for water service (where no meters are used) shall be \$4.00 per quarter.

AN Iowa Cure For Bad Habit.
I am not an adept at suggestions, so
will refrain from making any, but will
tell of a plan that worked out successfully
in an Iowa town.

The merchants of that town were being
imposed upon by mail order buyers
and organized for their own protection
and determined to cancel all favors
and credit heretofore extended to those
offending citizens.

It developed that the first applicant
was a lady who had recently purchased
a sewing machine from a catalog house.
Her daughter was about to be married,
and she wished to present her with a
parlor set as a present and, finding
her husband short of ready money,
asked credit from the local dealer.

The dealer politely declined, advising
her that he could not compete in price
with Chicago from which she purchased her
sewing machine and was most happy
to extend to her the desired credit.

See us first, we can compete in price
with any mail order house in the
country.

IMMEDIATE RELIEF.
It seems probable that some good
will come from spraying the peach
trees with the self-boiled lime-sulphur
spray mixture, making two applications
at intervals of two or three
weeks. No. 2 strength of commercial
lime-sulphur concentrate or of home-
boiled lime-sulphur is made at the
rate of 10 pounds stone lime, 10
pounds wood sulphur, 50 gallons.
It is Formula No. 10 of the
Spray Calendar, Bulletin 232, which
see for directions for making.

Peach growers are warned at this
time that the real measures for leaf
curl prevention are to be used in the
spring before the blossoms open, and
that tardy and ineffective treatments
are rarely quite satisfactory.

APPLICATION FOR PAROLE.
Notice is hereby given that Willard
Freer a prisoner now confined in the
Ohio Penitentiary, has been recom-
mended as legally eligible to a hearing
for parole. Said application will be
for hearing on and after August 1,
1916.

Bilious Attacks.
When you have a bilious attack your

You become constipated. The food
you eat ferments in your stomach in-

a terrible headache. Take Cham-
berlain's Tablets. They will tone up
your liver, clean out your stomach,
and you will soon be as well as ever.
